FREQUENTLY ASKED QUESTIONS

HOW DO I APPLY?
Visit pathwaylending.org or call (615) 425-7171. While we have temporarily closed our offices and moved to remote operations due to coronavirus, we are also happy to meet in person when we resume normal operations.

We will only review loan requests with completed applications that must include a Restart Plan outlining how your business plans to use the funds you are requesting.

WHAT ARE MY REPAYMENT TERMS?
Loans up to $20,000 are available at 5% interest for a 12-month term. Principle and interest payments are due, required by ACH debit, on the 1st day of each month through the term of the loan. There is no prepayment penalty. Borrowers may qualify for payment relief assistance. Pathway will help borrowers determine if they meet guidelines for assistance during the application process.

CAN I GET HELP WITH MY RESTART PLAN?
Yes! We’re glad you asked. We highly encourage you to participate in our Restart Reality Education series. We will soon release a virtual online video program with financial templates for industries most likely to be affected in a staged reopening of the economy (retail, restaurant and service businesses are examples). The videos and templates will help you learn how to use and create forecasts of your cash needs to restart and sustain operations.

IS THIS AN SBA LOAN?
This is a loan from Pathway Lending made available from the SBA Microloan Program. SBA provides direct loans to eligible non-profit microlenders like Pathway Lending so we may provide small loans and business based training and technical assistance to help small businesses.

IS THIS A BANK LOAN?
Pathway Lending is not a bank. It is a U.S. Treasury-certified community development financial institution (CDFI). As a non-depository, private, non-profit organization, we provide lending solutions and educational services that support the development, growth, and preservation of underserved small businesses, affordable housing, and sustainable communities. We partner with private and public stakeholders to advance this mission.

IS THIS A GRANT?
No, this is a flexible small business loan – it is not a grant – and must be repaid. Borrowers may qualify for payment relief assistance. During the application process, we can help determine if your application meets the guidelines.

HOW QUICKLY CAN I ACCESS FUNDS?
We are working diligently to process requests, close loans and disburse funds as quickly as possible. We pledge to work with you in days and weeks, not months. You can prepare by gathering business information about your company.
